

## **Pineda Amador Family Ministry: Monthly Report**

**Location:** León, Nicaragua

**Date:** February 2026

**Subject:** Fellowship with Green Lawn/Sunset & Children's Ministry Progress

### **1. A Season of Encouragement: Special Visitors**

We are overwhelmed with joy to report on the wonderful visit we received this month. It was a true blessing to host **Brother Mike, Shawn, and David**, representing the **Green Lawn Church of Christ** and the **Sunset International Bible Institute**.

Their visit was much more than a formal meeting; it was a time of genuine Christian fellowship. Having them here in León allowed us to:

- **Share the progress** of the ministry directly on the ground.
- **Strengthen the partnership** between our local work and our supporters in the U.S.
- **Receive spiritual encouragement** and wisdom from their many years of experience in the Kingdom.

For our family, and specifically for me (Juan) as I continue my theological studies with Sunset, their presence was a powerful reminder that we are part of a global family working together for a common purpose.

### **2. Children's Ministry: The Life of Moses (Part II)**

Our work with the children at the **Sutiava Church of Christ** continues to be the highlight of our weekly activities. Following our study in January, this month we focused on the **Exodus and God's Guidance**.

#### **Key Lessons Covered:**

- **Trust in the Midst of Fear:** How the Israelites crossed the Red Sea.
- **God's Provision:** Learning how God provided manna and water in the desert.
- **The Ten Commandments:** A foundational introduction to God's laws of love.

The children are not just memorizing stories; they are participating in crafts and activities that help them visualize the journey. We have seen a significant increase in participation and curiosity from the kids in the Sutiava community.

### **3. Prayer Requests and Gratitude**

We want to express our deepest gratitude to the **Green Lawn Church of Christ**. You are the pillar that allows this ministry to function daily. Because of your generosity, we can focus more of our energy on preaching, teaching, and serving here in Nicaragua.

#### **Please join us in prayer for:**

- The spiritual growth of the children who attended the Moses series.
- The health and safety of the brothers who visited us as they return to their activities.
- The continued development of our resources for the children's ministry.
- **The health of our sons, Juan and Jesús:** They are currently recovering from a severe cough. We received with deep gratitude your special support to cover the necessary medical resources for their recovery.
