

Mission Report: December 2025

Organization: Sutiava Church of Christ

Subject: Year-End Children's Ministry Celebration

Date: December 2025

1. Executive Summary

This month, the Sutiava Church of Christ successfully concluded the 2025 Children's Ministry cycle with a festive year-end celebration. This event served as a milestone for the spiritual and social development of the children in our community. We are pleased to report that the **\$50.00** contribution received this month was instrumental in providing the tangible elements that made this celebration possible.

2. Financial Stewardship & Allocation

The funds were carefully allocated to maximize the impact on the children's experience. The breakdown of the **\$50.00** expenditure is as follows:

- **Educational Gifts & Toys:** A portion of the funds was used to purchase small gifts and toys for the children. These items were selected to reward their participation throughout the year and to serve as a reminder of the church's love for them.
- **Festive Decoration:** Funds were applied toward the "Feliz Navidad" backdrop and balloon arrangements. This created a safe, colorful, and welcoming environment that elevated the children's sense of joy and belonging.

3. Ministry Impact

Because of this support, we achieved the following:

- **Bright Smiles:** Every child received a gift, ensuring no one felt excluded.
- **Community Identity:** The decorations helped transform our meeting space into a celebratory hall, reinforcing the importance of the ministry in the eyes of the children and their parents.
- **Spiritual Encouragement:** The event concluded with songs and a message of hope, grounding the celebration in the gospel of Christ.

4. Special Recognition

We would like to extend a special thank you to **Green Lawn Church of Christ**. Your partnership is not merely a financial transaction; it is a vital investment in the next generation of the church in León, Nicaragua.
